

The Royal Hippodrome Friends are 25 years old this year - help us to continue supporting this beautiful old theatre by becoming a member.

The Friends were formed in 1992 with the intention of ensuring the continued use of the Royal Hippodrome Eastbourne. Since then we have given our support in many different ways. We work closely with the Royal Hippodrome Eastbourne Community Interest Company to achieve these goals.

Raising funds has enabled us to update the hearing loop to include the dress circle, renew the stage flooring, purchase stage lighting, additional radiators, booster seats and redecorate in various areas as an ongoing project. We greet audiences, assist in front of house duties and conduct theatre tours.
