About the Friends

The Friends were formed in 1992 with the intention of ensuring the continued use of the Royal Hippodrome Eastbourne. Since then we have given our support in many different ways. We work closely with the Royal Hippodrome Eastbourne Community Interest Company to achieve these goals. Raising funds has enabled us to install hand rails on stairs of Dress Circle, renew stage flooring, new seat numbers, new taps and plumbing for Dress Circle Bar and Ladies toilets and update hearing loop to include Dress Circle. Most recently we have provided funds to pay for new carpeting in the newly refurbished foyer. We greet audiences, assist in front of house duties and conduct theatre tours. Friends receive a regular newsletter.
