ULTIMATE TRIBUTE TO

Tina Turner

PERFORMED BY
TINA QUEEN OF RHYTHM
FULL BAND

2 HR LIVE SHOW

**Saturday
4th October
7.30pm
All Tickets £29**

Tina Queen of Rhythm comes to The Royal Hippodrome for the first time in this sensational show complete with a full live band.

Expect two incredible hours of high energy entertainment which will have you on your feet dancing and singing along to all the hits of Tina Turner. Ruby Rose is Tina! Born to a choir singer and a gospel guitarist; with those genes, there isn't much Ruby can't turn her hand to!

Big things come in small packages and Ruby has earned the moniker of 'The Pocket Rocket', delivering blisteringly energetic performances every time she takes to the stage.

This is certainly a show not to be missed!

Roll over Beethoven, because the greatest tribute to Jeff Lynne's Electric Light Orchestra is here!

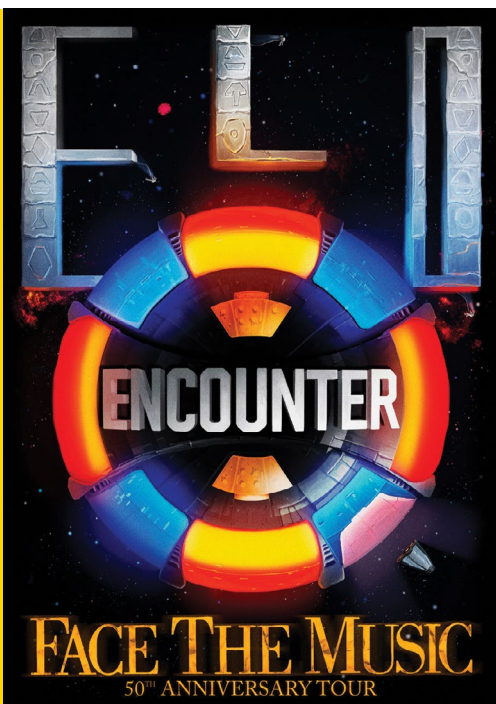

In an all live show featuring soaring strings, striking vocal harmonies and playing all the much loved songs from ELO's hit-filled library including *Evil Woman*, *Telephone Line* and *Don't Bring Me Down*. The ELO Encounter promises a night filled with rock, roll and Blue Skies that would make even Mozart mambo and Bach boogie! So *Hold On Tight* because Rock and Roll Is King in a show that is guaranteed to have you partying *All Over The World*.

Not only flawlessly recreating the wonderful music of ELO, it's a spectacular live show from start to finish. Stunning lights and special effects create an atmosphere that will have you fully immersed in the whole experience.

As a recent reviewer remarked, "Not really a tribute, that cheapens what this band does, which is to transport you back to those days. So sensitively and authentically done, at times it felt like it was actually ELO being mirrored up there on the stage".

That's what The ELO Encounter tribute show is all about.

In the ever-evolving book of British comedy, Jim Davidson OBE remains a best-seller, an unapologetic voice still standing tall while others bow to the tide.

Through decades of laughter, controversy, and cultural change, he's held the line. And now, in 2026, he's back with a brand-new tour 'Last Man Standing ... Just!' and firing on all cylinders and refusing to be silenced. Despite the relentless efforts of a vocal woke minority to pen his final chapter, Jim's story is far from over. Shadow-banned, de-platformed, and 'cancelled' more times than he can count, Davidson has turned adversity into ammunition, his live shows becoming safe havens for those who still believe in common sense, satire, and the best of British comedy.

Jim's 2025 UK tour, The Next Chapter, proved that the appetite for unfiltered, grown-up laughter is alive and well, with the General receiving standing ovations from Glasgow to Southend from loyal and new fans alike, many who feel silenced themselves. Jim's loyal audience packed venues across the UK, cheering not just the punchlines but the principles behind them.

Now, as Britain stands at a cultural crossroads, Davidson returns to do what he does best: say what others are thinking, with razor-sharp wit and bulletproof timing. It's time to reset. To push back. To laugh again without fear.

Jim invites you to join him once again for a riotous evening where freedom of speech takes centre stage, comedy bites back, and the battle for Britain's comedic soul rages on. He's survived the storms, stood firm in the face of censorship, and he's still here!

Oh, and yes—he's got another wedding to pay for.
